

# NMIMS GLOBAL ACCESS SCHOOL FOR CONTINUING EDUCATION

Program Name : MBA (Distance)

#### **Curriculum Document**

#### SEMESTER 1

SEMESTER 1		
Pr	ogram: MBA(Distance)	Term I
Subjects	Topics	
Business Economics	<ul> <li>Fundamentals of Economics</li> <li>Introduction to Business Economics</li> <li>Probability and probability distribution</li> <li>Demand Analysis</li> <li>Supply Analysis</li> <li>Consumer Demand Analysis</li> <li>Elasticity of demand and supply</li> <li>Demand Forecasting</li> <li>Production Theory</li> <li>Cost and Revenue analysis</li> <li>Market Structure</li> <li>Market Failures</li> </ul>	
Financial Accounting & Analysis	<ul> <li>Introduction toAccounting</li> <li>Accounting Process</li> <li>Financial Statements</li> <li>Preparation of Financial Statements</li> <li>Financial Reporting Standards I</li> <li>Financial Reporting Standards II</li> <li>Corporate Financial Statements</li> <li>Analysis of Financial Statements I</li> <li>Analysis of Financial Statements II</li> </ul>	
Information Systems for Managers	<ul> <li>Organizations and Information Systems</li> <li>Concepts of Management Information Systems</li> <li>Electronic Commerce, Electronic Business,</li> <li>Managing Green IT and Smart Cities</li> <li>Information Technology Infrastructure and</li> <li>Cloud Computing and Internet-of-Things</li> <li>Information Systems Security and Control</li> <li>Information Systems Development and Pro</li> <li>Managing Data Resources</li> <li>Business Process Integration &amp; Enterprise S</li> </ul>	Electronic Governance Choices ject Management

Management Theory and Practice	<ul> <li>Evolution of Management</li> <li>Nature of Management</li> <li>Corporate Culture</li> <li>Structure of an Organisation</li> <li>Business Communication</li> <li>Managerial Decision Making</li> <li>Leadership</li> <li>Motivation</li> <li>Change Management</li> <li>Management Information Systems</li> </ul>
Organisational behaviour	<ul> <li>Introduction to Organisational behaviour</li> <li>Understanding Individual Behaviour</li> <li>Personality</li> <li>Perception</li> <li>Learning</li> <li>Motivation</li> <li>Leadership &amp; People Skill</li> <li>Groups and Teams</li> <li>Stress Management</li> <li>Conflict Management</li> <li>Power and Politics in Organisations</li> <li>International Organisational Behaviour</li> </ul>

#### SEMESTER 2

ı	Program: MBA(Distance)	Term II
Subjects	Topics	
Business Communication	<ul> <li>Professional Communication in a Digital, Social</li> <li>Writing Business Messages</li> <li>Completing Business Messages</li> <li>Probability and probability distribution</li> <li>Digital &amp; Social Media</li> <li>Writing Routine and Positive Messages</li> <li>Writing Negative Messages</li> <li>Writing Persuasive Messages</li> <li>Writing Reports and Proposals</li> <li>Making Business Presentations</li> <li>Writing Resumes</li> <li>Applying and Interviewing for Employment</li> </ul>	l, Mobile World

	Introduction to Law			
	Framework of Legal System in India			
	<ul> <li>Legal Framework of Business' in India</li> </ul>			
	The impact of Law on Business'			
	The need for Law in Business			
Business Law	<ul> <li>Overview of the laws dealt in the Course Financial Statements</li> </ul>			
Business Law	<ul> <li>Indian Contract Act, 1872</li> </ul>			
	Sale of Goods Act, 1930			
	Laws related to formation of Business			
	Laws that Commonly affect Business			
	Laws related to enforcement and Redressal Mechanism in Business			
	Consumer Protection Act, 2019			
	Introduction to business statistics			
	Central Tendency (Averages)			
	<ul> <li>Dispersion, Skewness and Kurtosis</li> </ul>			
	Probability			
	<ul> <li>Approaches of Determining the Probability</li> </ul>			
Decision Science	Probability Distribution- Binomial and Poisson Distribution			
	Probability Distribution- Normal Distribution			
	Sampling and Sampling Distribution			
	Correlation analysis, Performing correlation using Excel			
	Time Series forecasting			
	Decision Analysis and Case studies			

Program: MBA(Distance)  Specialisation: Business Management		Term III	
Subjects	Topics		
Consumer Behaviour (CB)	<ul> <li>CB, Factors influencing it</li> <li>Basics of Consumer Behaviour (CB)</li> <li>STP, its types and its implication in marketing</li> <li>CBBE model</li> <li>Use of STP in consumer Behaviour</li> <li>How political, economic, social, technological, envergeet CB</li> <li>Environmental Determinants in CB</li> <li>Consumer Decision making process and models</li> <li>Various decision-making models Stimulus Respon Models</li> <li>Consumer Decision making process and models</li> <li>Various decision-making models Howard-sheth M Models</li> <li>Diffusion and adoption of innovations</li> <li>Consumer decision making (reference group influence)</li> <li>Motivation, Perception, Learning, Attitude, Person models</li> <li>The consumer as Individual</li> </ul>	se, economic CB  Iodel, Nicosia model CB  ences)	

Cost & Management Accounting	<ul> <li>Course Overview and Management Accounting Fundamentals</li> <li>Cost Concepts, Cost Classification and Unit Cost Analysis</li> <li>Materials Cost Control</li> <li>Labor Cost and Overhead Cost Control</li> <li>Income Recognition Under Marginal and Absorption Costing</li> <li>Standard Costing and Variance Analysis</li> <li>Standard Costing and Variance Analysis</li> <li>Cost Analysis: Job Order, Batch and Contract Costing, Process Costing and Joint Costing</li> <li>Management Accounting in Global Perspective and Revision</li> </ul>
Digital Marketing	<ul> <li>Introduction to Digital Marketing</li> <li>Creating DM Models</li> <li>The Online Consumer</li> <li>The Digital Marketing strategy</li> <li>The Digital Marketing Channel and communication mix</li> <li>Digital Marketing operations set up</li> <li>Digital Marketing Campaign management</li> <li>DM execution elements and careers in digital marketing</li> </ul>
International Business	<ul> <li>Introduction to International Business and Globalization</li> <li>International Trade Theories and Policies; International Monetary System and Export Documentation</li> <li>International Business Environment, Cultural Environment facing International Business</li> <li>Entering International Markets</li> <li>International Marketing</li> <li>Marketing Mix in International Business</li> <li>Issues in International Trade; Ethics in International Business</li> <li>Doubt Clearing session</li> </ul>
Organisational Theory, Structure and Design	<ul> <li>An Introduction to Organisation and Organisation Theory</li> <li>Organisational Effectiveness and its Measurement</li> <li>Organisational Structure and Design</li> <li>External Environment and Analysis</li> <li>Internal Environment and Organisational Analysis</li> <li>Strategic Management in Organisations</li> <li>Organisational Diversity</li> <li>Power, Politics and Authority in an Organisation</li> <li>Managing Organisational Conflict</li> <li>Managing Organisational Change</li> </ul>
Project Management	<ul> <li>Introduction</li> <li>Project Organisation</li> <li>Project Selection</li> <li>Costing and Budgeting</li> <li>Project Decisions</li> <li>Project Planning</li> <li>Project Scheduling</li> <li>Monitoring &amp; Control</li> <li>Commissioning &amp; Closure</li> <li>IT in Projects</li> <li>PM Software</li> </ul>

### Program: MBA(Distance)

**Specialisation: Business Management** 

Subjects	Topics	
Business Ethics, Governance & Risk	<ul> <li>Concept of Business Ethics</li> <li>Values, Norms, Beliefs &amp; Standards in Business Ethics</li> <li>Indian Ethos</li> <li>Ethical Issues in Functional Areas of Management</li> <li>Cloud Technology Platforms</li> <li>Introduction to Corporate Governance</li> <li>Corporate Governance: Ownership Structure</li> <li>Corporate Governance Mechanism</li> <li>Corporate Governance in India: Statutory Perspective Virtualization</li> <li>Enterprise Risk Management</li> <li>Cloud Architectures</li> <li>Identification &amp; Management of Risk</li> </ul>	
Corporate Finance	<ul> <li>An introduction to finance</li> <li>Time value of money</li> <li>Cost of Capital</li> <li>Financial and Operating leverage</li> <li>Capital Structure</li> <li>Capital Budgeting Decisions</li> <li>Working Capital Management</li> <li>Short Term Sources of Finance</li> <li>Cash, Receivables and Inventory Management</li> <li>Case Studies</li> </ul>	
Entrepreneurship and Venture Capital Management	<ul> <li>Introduction to Business Process Outsourcing</li> <li>Entrepreneurship and Art of Innovation</li> <li>Ideas into Business Models</li> <li>Writing and winning business models</li> <li>Setting up Company and Funding the Venture</li> <li>Managing Resources – Money, People</li> <li>Exiting the Venture</li> <li>Social Entrepreneurship and Technology Entrepreneurship</li> <li>Family Business, Few Case studies and conclusion</li> </ul>	
Research Methodology	<ul> <li>Introduction to Research</li> <li>The Critical Literature Review</li> <li>Theoretical Framework &amp; Hypothesis Development</li> <li>Elements of Research Design</li> <li>Data Collection Methods: Introduction and Interviews</li> <li>Observation</li> <li>Data Collection Methods: Questionnaires</li> <li>Experimental Designs</li> <li>Measurement of Variables: Operational Definition</li> </ul>	

	<ul> <li>Measurement of Variables: Scaling, Reliability, Validity</li> <li>Major Revision of Concepts (1 hour)</li> <li>Quantitative Data Analysis</li> <li>Quantitative Data Analysis: Hypothesis Testing</li> <li>The Research Report</li> </ul>		
Sales Management	<ul> <li>Personal Selling and marketing Strategy</li> <li>Sales Management, Personal Selling, and Salesmanship</li> <li>Setting Personal-Selling Objectives</li> <li>Determining Sales-Related Marketing Policies</li> <li>The Effective Sales Executive</li> <li>Sales Personnel Management</li> <li>Recruitment and Selection</li> <li>Motivations, Compensation and Sales Budget</li> </ul>		
Project	Select a project where;  a) You have some interest and understanding of the topic. b) There is a possibility to get sufficient data c) Look for a topic to present something new or different (Research Gap)  Structure of the project: a) Include a title to the project: The project should start with the details of the project title, your name b) Acknowledgements: A brief thank you note to the people who have helped you in the project c) Table of contents: List of the various topics covered in the project along with the page numbers d) Body of the project: This would include the detailed report  Include: Objectives of the project Scope of the project Executive Summary Methodology Data Collection Findings Suggestions/Recommendation Bibliography Annexure: This will contain the graphs, charts or any other data you need to attach which serves the purpose of the report		

Specialisation: Banking and Finance Management		Term III
Subjects	Topics	

Commercial Banking System & Role of RBI	<ul> <li>Structure of Indian Financial System, Central Bank Regulatory Framework</li> <li>Business Environment of Commercial Banks</li> <li>Types of lending</li> <li>Credit appraisal of fund based loans &amp; WC Assessment</li> <li>Working Capital Assessment &amp; NPA &amp; Capital Adequacy in banks</li> <li>Methods of non-fund based credit appraisal &amp; Risk Management in Banks</li> <li>Types of charges for creation of securities &amp; Financial statements and Asset Liability Management in Banks</li> </ul>
Corporate Finance	<ul> <li>An introduction to finance</li> <li>Time value of money</li> <li>Cost of Capital</li> <li>Financial and Operating leverage</li> <li>Capital Structure</li> <li>Capital Budgeting Decisions</li> <li>Working Capital Management</li> <li>Short Term Sources of Finance</li> <li>Cash, Receivables and Inventory Management</li> <li>Case Studies</li> </ul>
Cost & Management Accounting	<ul> <li>Course Overview and Management Accounting Fundamentals</li> <li>Cost Concepts, Cost Classification and Unit Cost Analysis</li> <li>Materials Cost Control</li> <li>Labour Cost and Overhead Cost Control</li> <li>Income Recognition Under Marginal and Absorption Costing</li> <li>Standard Costing and Variance Analysis</li> <li>Standard Costing and Variance Analysis</li> <li>Cost Analysis: Job Order, Batch and Contract Costing, Process Costing and Joint Costing</li> <li>Management Accounting in Global Perspective and Revision</li> </ul>
Financial Institutions and Markets	<ul> <li>Financial System Overview and Regulations in Indian Financial Markets</li> <li>Money Market and Capital Market</li> <li>Primary, Secondary, Debt Market and Currency Market</li> <li>Institutions in the Financial Market – Banking Institutions, NBFCs and Development Financial Institutions</li> <li>Mutual Funds, Insurance and Venture</li> <li>International Financial Institutions, Efficient Market and Market Anomalies</li> <li>Risk Management in Financial Institutions</li> <li>Revision, Doubt Solving and Closure of Subject</li> </ul>
Marketing of Financial Services	<ul> <li>Role and Contribution of Financial Services</li> <li>Financial Services Marketplace</li> <li>Building Strategies and Market Plans</li> <li>Financial Planning</li> <li>Analysing Financial Service Market Environment</li> <li>Consumers of Financial Services</li> <li>Segmentation Targeting &amp; Positioning</li> <li>Marketing Financial Services in International Market</li> <li>Pricing</li> <li>Product Management and Distribution</li> </ul>

	<ul> <li>Promotion</li> <li>Consumer Relationship in Financial Services</li> <li>Case Study and Resolving Queries</li> </ul>
Retail Banking	<ul> <li>An overviewof Retail Banking</li> <li>An overviewof NRI Banking andInvestment opportunities</li> <li>An insight into Retail Banking Products</li> <li>An overview on Retail Lending and Lending products</li> <li>An overview of Credit and Risk</li> <li>An exposure to marketing management</li> <li>An overview of Customer Service</li> <li>An exposure to Technology in Retail Banking</li> <li>An overview of Distribution Management</li> <li>An exposure to Regulations and recent trends in Retail Banking</li> <li>An overview of Retail Banking in India</li> </ul>

Speciali	ation: Banking and Finance Management		Term IV
Subjects	Topics		
Business Ethics, Governance & Risk	<ul> <li>Indian Ethos</li> <li>Ethical Issues in Functional Areas of Managen</li> <li>Cloud Technology Platforms</li> <li>Introduction to Corporate Governance</li> <li>Corporate Governance: Ownership Structure</li> <li>Corporate Governance Mechanism</li> </ul>	<ul> <li>Values, Norms, Beliefs &amp; Standards in Business Ethics</li> <li>Indian Ethos</li> <li>Ethical Issues in Functional Areas of Management</li> <li>Cloud Technology Platforms</li> <li>Introduction to Corporate Governance</li> <li>Corporate Governance: Ownership Structure</li> <li>Corporate Governance Mechanism</li> <li>Corporate Governance in India: Statutory Perspective Virtualization</li> <li>Enterprise Risk Management</li> <li>Cloud Architectures</li> </ul>	
Insurance & Risk Management	<ul> <li>Introduction to Insurance and Risk Management</li> <li>Operations of Insurance Companies</li> <li>Insurance Principals and Contract</li> <li>Life Insurance</li> <li>Annuities and Retirement Benefits</li> <li>Health Insurance</li> <li>Property Insurance</li> <li>Commercial Property Insurance</li> <li>Liability Insurance</li> <li>Personal Auto Insurance</li> <li>Commercial Liability Insurance</li> </ul>		
International Banking & Foreign Exchange Management	<ul> <li>Overview of International Banking and Foreign</li> <li>Foreign Exchange Market, Foreign Exchange Minstitutions</li> </ul>		0

	International Banking - Payment, Clearing and Settlement Systems & Foreign
